Help Us Support

## Family Promise

Help support Family Promise by purchasing (5) oil changes for less than half of regular retail pricing. Adam & Son, a locally family-owned business right here in our community, has graciously donated these oil changes to help raise money for our family homeless shelter. 100% of the purchase price (minus a small processing/administration fee) is donated by Adam & Son.

At Family Promise we are transforming the lives of families experiencing homelessness. Because every child deserves a home. Visit [ihn-cos.org](http://ihn-cos.org) for more information.

Adam & Son is a leader in the Automotive Industry and has earned the respect of the top Auto Repair Shops. Adam & Son understands its responsibility as a small business in our community to support the people and organizations that allow it to prosper.
